**"Strategies for success: How to build and maintain an effective partnership with state agencies"**

Join your peers and learn from local and state programs how to engage and cultivate relationships with state agencies.

Presentations will address:

- How to initiate, engage and maintain a relationship with your state agency.
- Critical success factors of partnerships and potential outcomes of those relationships.

### Invited Speakers:

- Dennis McKay, CEO of Northern Human Services
- Shannon Calhoun, Director of Texas Independence Program
- Beverlyann Austin, Director Upper Midlands Rural Health Network
- Graham Adams, CEO of South Carolina Office of Rural Health

Materials for the call will be posted to the TA website the day before the call: <http://networkassist.ruralhealth.hrsa.gov/granteecalls.shtml>
